"The^WQUEEN OF AGES"

a two reel Century Comedy

featuring Wanda Wiley

Mary, a society girl, uses three teachers to complete her education, -a ^Wswordsman, gunman, and boxer. Her sweetie's father disapproves of her conduct, and forbids him to invite her to a swell affair which he is giving at his home.

Her sweetie's sister is quite fond of her, and helps her to don male attire. Mary, dressed as a young society beau, even as far as mustaches go, enters the home and forgets to remove her hat. She has a few dances, then insists that the party is too tame for her.

Her perspective father in law hears the remark and takes her out for a wild time, -to a poker party. They make her smoke a cigar, thinking she is a man. She gets a royal flush just as the cops break in. Mary and sweetie's papa make a getaway, racing over roofs, and finally fall off a ~~xxx~~ high building, to safety.

Landing at his home, papa insists that she sleep with her son. She tells her sweetie everything, after the door is closed, and glides into his sister's room. Everything is then revealed, and fearing that his wife will hear about the poker party, he consents to his son's marriage.
